Powerpan Grate - Heavy Duty Cast Iron with extra large ridges, great for Steaks, Fish-fillets and Vegetables The ridges have the same size and heights as our cast iron grate inserts. With two large handles they are easy to move around. We added a slot on each side so you can use the cast iron lifting handle too. The pan measures 10.25" x 10.25" x 1.25" on the inside. They work on induction, gas, charcoal and in your oven.
